THE PRESENCE OF GOD

After the miracle of Jesus walking on water, the disciples exclaimed, "Truly, you are the Son of God" (Matthew 14:33). Most Christians will probably never experience such a dramatic miracle. Like Elijah, we await the manifestation of God in other moments. Perhaps the biggest challenge for the believer is to be constantly attuned to the possible presence of God in the everyday events of life. This is a stance that takes some people years to develop. Others seem to find the Lord easily in the simple things. As the week unfolds, let us look for the presence of God in the little things around us. Perhaps, like Elijah, we will be surprised at what we find. And, like the disciples, we can add our voice to the confession, "Truly you are the Son of God."

DUDAS NATURALES

Es común que muchos cristianos vean la Eucaristía como un signo y no como una presencia real, dudan de que Cristo esté verdaderamente presente en el pan y el vino. La duda es natural y puede ser un buen medio para llegar a la verdad. La narración de la Institución está ligada a una tradición viva que los apóstoles escucharon directamente de labios de Jesús. ¡Sí! El mismo que había caminado sobre el agua, que había perdonado pecados, sanado enfermos de todo tipo; el mismo que había dado de comer a las multitudes y que había resucitado a Lázaro. Jesús el que se había transfigurado en la cima del monte. Por si todos sus milagros fueran pocos, el mismo que fue resucitado por Dios de entre los muertos. Ese mismo les había dicho: "esto es mi cuerpo, que será entregado por ustedes"; además dijo: "este es el cáliz de mi Sangre, sangre de la alianza nueva y eterna que será derramada por vosotros y por todos los hombres para el perdón de los pecados. Hagan esto en memoria mía". Por esa "sencilla" razón los cristianos no sólo celebramos la Eucaristía, sino que también creemos firmemente que el pan es su Cuerpo y el cáliz contiene su Sangre.

Did you Know?

Summertime, Safe Time

All teachers, staff and volunteers in the Archdiocese who work with children must undergo fingerprinting and criminal background checks. Archdiocesan guidelines and abuse prevention training programs currently in use in the Archdiocese emphasize the importance of parents knowing who has access to their children at school and other church-sponsored activities. Summertime is here, and parents should remain vigilant regarding who is granted access to their children. Make sure camp counselors have undergone criminal background checks. And, make sure you know the camp's "daily routine." In particular, make sure that no camp activity results in a child being left alone with one adult. All activities should be supervised by more than one adult, and the camp should be open to unannounced drop-in visits from parents.

¿Sabia Usted?

Hostigamiento Es Una Forma de Abuso
Sabia usted que el hostigamiento (bullying) son formas de abuso y son prohibidas en nuestras escuelas Catolicas? El hostigamineto tipicamente consiste en bromas pesadas, burlas, amenazas, golpes, empujones, y robo. Pero tambien pude incluir el lanzamiento de rumores que pueden causar que la victima sea intencionalmente excluida socialmente. El acoso cibernetico, que implica el uso de la Internet o los telefonos celulares para enviar mensajes o imagenes inapropiadas de personas o a personas, tambien es comportamineto prohibido en nuestras escuelas Catolicas. Si usted sospecha que algun estudiante es victima de hostigamiento, inmediatamente comunice sus preocupaciones al principal de la escuela.
