The Image of Divine Mercy at the Church of Christ the King, one of the contemporary copies of the countenance known through Saint Faustina's revelations, deserves special attention. Looking carefully at this Image, you will see Saint John Paul II's initials. Today, the Image of Merciful Jesus is the only one Icon in the United States signed by Saint John Paul II. This makes this Icon a relic.

Divine Mercy Shrine of the Archdiocese of Los Angeles is a sacred place for all who seek God's mercy, a place where lives are transformed, and souls are lifted. Let us remember the words of Saint Faustina: "Jesus, I trust in You." May this trust in God's infinite mercy guide us as we embark on this journey together.

Our Shrine practices all the forms of the Devotion to the Divine Mercy.
